MSU embraces model of engaged scholarship

UOE emphasizes university-community partnerships that are collaborative, participatory, empowering, systemic, transformative, and **anchored in scholarship.**

- Engaged research and creative activities
- Engaged teaching and learning
- Engaged service
- Engaged commercialized activities

What UOE Can Do For You

- Consultation, review, connections for scholarly community-engaged work
 - Partnership connections/convenings
 - Grant review for community-engaged components
 - Broader impacts
- Support and partnerships for community-engaged curriculum/service learning
- Capacity-building for community engagement and outreach
- Infrastructure for conducting/disseminating scholarship to and with outside audiences
- Awards/recognition for community-engaged scholarship
- Departmental/College-level reports on community-engaged scholarship
