Conversations for Early Career Colleagues: Starting an Academic Career in Unusual Times

Hosted by the Academic Advancement Network
December 10, 2020
Today’s Topic:
Developing a Professional Identity
(pg. 1 of 2)

• What is a professional identity?
• How does this concept relate to our work as teachers, researchers, administrators, colleagues, collaborators at MSU and beyond?
• How does one establish a professional identity?
• How does our professional identity relate to choices about work, time, professional relationships?
Today’s Topic: Developing a Professional Identity
(pg. 2 of 2)

• What does one want to be known for in one’s career?
  • What do I value?
  • How do my values play out in my daily work and across my career?
